Donating Stock to the Diocese of Orlando for your Parish, School or other Diocesan Ministries

The Catholic Foundation of Central Florida is honored to partner with the Diocese of Orlando and support your stewardship and end-of-year giving. We encourage gifts of stock via electronic transfer from your brokerage. This is the fastest and easiest way to give stock to benefit your parish, school or other Diocesan ministry! Just follow these two easy steps:

1. Write or phone your broker authorizing them to transfer X number of "XYZ Security" *in kind* to the Diocese of Orlando Fidelity Investments account:

**The Diocese of Orlando DTC
#0226
Acct. # X62-097373
Federal Employer Identification # 59-1215378**

Note: Shares should be transferred in "Cash" not "Margin".

2. Please contact us, or have your broker do so, so that we can identify the stock as coming from you and acknowledge you for tax purposes. Our phone numbers and email addresses are included below. Feel free to fax us at 407-246-4939, or mail us at the following address:

**The Catholic Foundation of Central Florida
Attn: Susan Hunt/Carolyn Ell
P.O. Box 4905
Orlando, FL 32802**

Please advise which parish, school or diocesan organization or ministry should benefit from your gift and to which area the proceeds should be directed (*Offertory, Our Catholic Appeal, etc.*). Stock gifts are considered completed for tax purposes if they are received in our account by December 31st.

If you are interested in transferring shares held in certificate form or transfer book shares, please contact us for proper forms to complete this transfer.

Just a Reminder... in order to take full advantage of the tax laws surrounding the gifting of appreciated securities, remember that the shares must have been held by you for at least one year.

The Catholic Foundation of Central Florida, through its service agreement with the Diocese of Orlando is pleased to provide this stock transfer program as a service to the people of God and our Diocese of Orlando parishes, schools, ministries and organizations.
